AIA Thailand is a leading life insurer serving customers in the country for more than 80 years. We have been the leading life insurer with the biggest market share based on total premiums from all lines of business¹, the largest and strongest agency network of 50,000 agents² and the largest number of in-force life policies of over 7.8 million. We have 8.6 million³ in-force policies including personal and accident insurance as well as life assurance.

AIA Corporate Solutions has almost 60 years of experience in providing employee benefits solutions and group insurance products & services to corporate clients. We have established ourselves as #1 in the market with 25.64% market share⁴. We leverage our extensive insurance experience and solid financial structure to provide custom-made plans that meet different client objectives. Whether it is a small to medium sized company or a multinational organisation, we have the expertise to provide you with flexible and cost-effective benefitsolutions.
