**HEALTHIER, LONGER,
BETTER LIVES**

THE RIGHT CARE, THE RIGHT PLACE, AT THE RIGHT TIME

It is trusted and far reaching

Allowing you access to extensive healthcare networks and proactive interactions with those providers to drive better value for you.

It is completely borderless

Enabling you to seek medical treatment outside of your home country or region - giving you the best possible care at your preferred location.

It is cashless and affordable

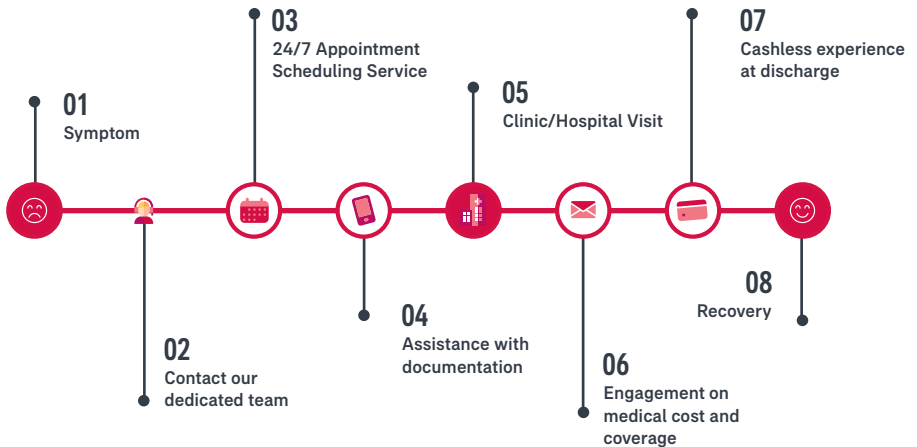

Negotiated fees with AIA preferential rates to optimise your benefits are pre-authorised and covered by AIA, making the whole experience seamless and best-in-class.

It is convenient and straightforward

Your appointment is made by our customer support providers at our centralised Regional Service Centres, and pre-approval for treatment is given within two days.

AIA IS WITH YOU EVERY STEP OF THE WAY

Using AIA Regional Health Passport is simple, and our team is here to support you along your journey to recovery.

As Asia's leading shared value insurer, only AIA can offer you a service of this quality and on this scale.
